

# FREE STATE REGION VINTAGE CHEVROLET CLUB OF AMERICA (V.C.C.A.)

## You're Invited to "Take us for a Test Drive"

We would like to extend an invitation for you to come to one of our meetings and meet a warm hearted friendly group that loves Old Cars. Old car ownership is not a requirement and if you are interested in the Old Car Hobby we are a match for you.

We have a local monthly newsletter called *The Valve Tapper* that includes our meeting minutes and information about upcoming area events as well as other newsy automotive items and occasionally a recipe for the ladies. Our national VCCA organization publishes a monthly magazine called the *Generator and Distributor* which highlights national events. You can also view pictures of our local events and get more club information at our website at [www.freestaterregionVCCA.org](http://www.freestaterregionVCCA.org).

We hold our regular meetings the first Thursday of the month (except July and August) at 7:30 pm at the First Methodist Church, 4713 Butler Road, Glyndon, MD.
